MYSORE LEGISLATIVE ASSEMBLY

THIRTY-SEVENTH DAY.

Friday, 27th July 1962.

The House met in the Assembly Hall, Vidhana Soudha, Bangalore, at One of the Clock.

MR. SPEAKER (SRI B. VAIKUNTA BALIGA, B.A., B.L.) in the Chair.

Business of the House

MR. SPEAKER.—Before we begin the work of the House, I would like to know the views of the Hon'ble Members. The Hon'ble Members are aware that this is the last day of the debate on the Budget. Under rule 164, if all the Demands are not discussed and normally voted, the guillotine has to be applied. I would very much desire that it should be prevented and that the debate should cover all the Demands. Yesterday, on a very important matter agitating the minds of the students, relating to the students' strike, the Hon'ble Minister for Education made a statement, and a little discussion a procedural wrangle, if it is not to be called a discussion over that seems to have—cut into the time that was normally allotted or contemplated to be utilised for discussion on the Demands before the House. I am requesting the Hon'ble Members to guide me in this regard. What I propose is that the debate on the Demands now under consideration

(The Hon'ble Member Sri D. Parameswarappa entered the House and was proceeding towards his seat).

Hon'ble Members must not move when the Speaker is on his legs.

Now the Debate on the Demands before the House will go on for one hour. May I know what time will be required by the Hon'ble Minister for Industries, for reply ?

SRI K. MALLAPPA (Minister for Industries and Commerce).—About an hour, Sir.

MR. SPEAKER.—So, at 2 o'clock, the debate will be closed, and at 3 P.M. the Demand will be put to vote. When we re-assemble at 3-30 P.M., the rest of the Demands will be moved. I am deeply anxious that as many Hon'ble Members as possible should participate. May I suggest therefore that for the one hour of discussion by the Hon'ble Members, they would confine themselves for a period of ten minutes each, so that I may give chance for six Hon'ble Members. Similarly, with regard to the remaining Demands—I have looked into them—some of them are too important and I really do not know how we can have full debate on them. The Hon'ble Members will find that Demand No. 26 relates to Labour and Employment—a very important Demand. Then, I believe, there is also Demand No. 23, which relates to Co-operation...

SRI B. HUTCHE GOWDA (Turuvekere).—Is there no question hour ?
